

ATM Tips

When you use an ATM, remember to:

- Make sure the area around the ATM is **safe** and **well-lit**.
 - Insert your card into the **card slot**.
 - Follow the **instructions** on the **screen**.
 - **Never** say your password out loud or share it with anyone.
 - Push the **Cancel button** if you want to start over.
 - Take your **money**, **card**, and **receipt** with you!
- * Not all ATMs are exactly the same. If you're not sure what to do, just follow the **directions** on the screen!
