OBJECTIVE

Obtain a fulfilling teaching position in Health or Physical Education at the middle/high school level.

EDUCATION

Bachelor of Science, **Health and Physical Education**
Minor in **Adapted Physical Education**; GPA – 3.25
University of Pennsylvania, Slippery Stone, PA - May 2008

RELEVANT SKILLS

Teacher:

- Have taught Health (11-12 grade), Physical Education (K-12 grade) and Adapted Physical Education (11-12 grade) with an emphasis on incorporating Mosston's styles of teaching.
- Planned and produced lessons plans for the psychomotor, affective and cognitive domains.
- Created and conducted assessments and utilized an online grading system.
- Effectively communicated and collaborated with team teachers at the middle grade level.
- Four months of field experience observing and collaborating with elementary physical education teachers.
- Adapted lessons and fitness activities for a blind student at the senior high level.

Coaching/Referee:

- Coaching strategies include promoting health, teamwork, discipline and character-building.
- Served as assistant coach for the 120 Pee Wee Globetrotters.
- Conducted mini-training camps in soccer for community youth (age 14-18) in order to prepare them for collegiate programs.
- Organized and supervised after-school intramural high school volleyball program with a winning season.
- Refereed a variety of sports at the middle/high level; selected to officiate championship events based on excellent evaluations.

Athlete:

- Devoted over 20 hours to practice, conditioning and intercollegiate competition per week in soccer.
- Utilized my leadership abilities by serving as Team Captain for two years.
- Awarded All-Conference Honors in soccer for three years.

Counseling:

- Mentored freshman soccer players to ensure their success and adjustment to college athletics and academics.
- Worked with mentally disabled adults in fitness, leisure and aquatics activities.
- Spent three summers as a camp counselor supervising and providing activities for six grade groups of 12 during five two-week periods.
