

Name of researcher taking consent: .....

**Name of participant:**

.....

- Please put your initials in the column provided beside each statement to show that you agree with the statement and give consent
- Please sign and date this form overleaf to show you give consent to all initialled statements

Statement	Initials
I confirm that I have read and understand the information sheet (version 1) for the above study. I have had the opportunity to consider the information and to ask questions and I have had these answered satisfactorily.	
I understand that my taking part is voluntary, and that I can stop participating at any time, without giving a reason.	
I have been told that the interviews will be audio recorded, and that the tapes will be transcribed, analysed and then deleted. Transcriptions will be securely stored at Teesside University for ten years after the end of the project, then destroyed.	
I understand that any information collected will be stored under secure conditions within the University and that only members of the research team will see my data. I give permission for these people to see this research data.	
I understand that audio recordings will be sent to an external transcription services located elsewhere in the UK (there is a confidentiality arrangement between this provider and the University).	
I am aware that direct quotations may be used in reports, academic publications and conference presentations, but understand that participants being quoted will not be identified.	
I consent to take part in this research project.	
I would like to receive a summary copy of the research results	
I understand that I will be given a copy of this signed consent form.	

I consent to take part:

Participant Name:

Signature:

Date:

-----  
-----

TO BE COMPLETED BY RESEARCHER on attendance at the interview:

I can confirm that I have explained to the above-named participant the nature of this study, and I have given adequate time for any questions to be asked and answered regarding the study.
