

First Author, Year: _____

Reference # _____

Abstractor Initials: _____

Primary Inclusion/Exclusion Criteria		
1. Does study answer one or more of the following questions? (place an X next to the question(s) the study applies to)	Yes	No
<p>___ KQ1. What is the prevalence of depression after traumatic brain injury (TBI), and do the area of the brain injured, the severity of the injury, the mechanism or context of injury, or time to recognition of the traumatic brain injury or other patient factors influence the probability of developing incident clinical depression?</p> <p>___ KQ2. When should patients who suffer TBI be screened for depression, with what tools, and in what setting?</p> <p>___ KQ3. Among individuals with TBI and depression, what is the prevalence of concomitant psychiatric/behavioral conditions, including anxiety disorders, PTSD, substance abuse, and major psychiatric disorders?</p> <p>___ KQ4. What are the outcomes (short and long term, including harm) of treatment for depression among traumatic brain injury patients utilizing: a) psychotropic medications, b) individual/group psychotherapy, c) neuropsychological rehabilitation, d) community-based rehabilitation, e) CAM, f) neuromodulation therapies, and g) other?</p> <p>___ KQ5. Where head-to-head comparisons are available, which treatment modalities are equivalent or superior with respect to benefits, short- and long-term risks, quality of life, or costs of care?</p> <p>___ KQ6. Are the short- and long-term outcomes of treatment for depression after TBI modified by individual characteristics, such as age, pre-existing mental health status or medical conditions, functional status, and social support?</p>		
2. Original research (exclude editorials, commentaries, letters to editor, reviews, etc.)	Yes	No
3. Study published in English	Yes	No
4. Adult (≥ 16 years old) study population If No, record % adult _____	Yes	No
5. Eligible study size ($N \geq 50$) Record N if < 50 relevant subjects enrolled: _____	Yes	No

EXCLUDE IF AN ITEM IN A GRAY BOX IS SELECTED

If EXCLUDED, retain for:

___ **BACKGROUND/DISCUSSION**

___ **REVIEW OF REFERENCES**

___ **Other** _____

COMMENTS:
