

Centre for Patient Safety & Service Quality

Evaluation of the National Surveillance System for Mortality Alerts

Chief Investigator: Dr Jonathan Benn, Lecturer in Quality Improvement, Imperial
College, London

CONSENT FORM FOR STAFF INTERVIEWS

Participant Identification Number for this study:.....

Name of researcher conducting the interview:.....

**Please
initial box**

1. I confirm that I have read and understand the participant information sheet version 2, dated 08/09/14 of the above study and have had the opportunity to ask questions.

2. I agree to be interviewed by the researcher named above and for the interview to be recorded.

3. I understand that my participation is voluntary and that I am free to withdraw at any time, without giving any reason, without my employment or legal rights being affected.

4. If I withdraw from the study, I also withdraw permission for my data to be used.

5. I agree to the data being kept for 10 years and then being destroyed and I understand that all identifying information about me will be removed to protect my identity.

6. I agree to take part in the above study.
